Subject: Ozone Action Day declared for tomorrow, Thursday, Aug. 8

From the Desk of the City Manager:

Thursday, Aug. 8th is an

for Central Texas.

You can do something for healthier air:

- Take the bus -- it's **free** on Ozone Action Days!
- Bike, walk, or share a ride to work.
- Telework: ask your supervisor if you can work from home.
- Conserve water and energy (less energy = less air pollution).
- Don't drive at lunchtime -- delay errands or walk.
- Refuel after 6 p.m. and don't top off the tank.

For more information on ozone and Austin's air quality, contact:
City of Austin Air Quality Program
airquality@ci.austin.tx.us or 974-2635
